

Replicate Sabarmati riverfront success at Manair: CM to babus

OUR BUREAU

Hyderabad: Chief Minister K Chandrashekar Rao on Tuesday instructed the officials concerned to develop the Manair Dam river front in Karimnagar district as a tourist hub.

After watching a presentation on the development of Manair river front at Pragathi Bhavan here, the Chief Minister suggested the officials to study the first ever River Front in the country, Sabarmati River, before developing the Manair. He asked them to examine the possibility of facilities at Sabarmati river front that can be replicated at Manair so as to mirror the

ancient history and everlasting attractions of Karimnagar. On this occasion, the Chief Minister made several suggestions for the comprehensive development of Karimnagar. "Grow trees like Pipal, Neem, and Silver Oak in open places and grow plants on the government lands. Lay a green walk way around the Kakatiya University as was done at KBR Park in Hyderabad. He asked the local authorities to appoint special Forest Officer to plant trees and for extending the green cover and to make a comprehensive plan for the development of Karimnagar. Finance Minister Eatala Rajender, Lok Sabha MP Vinod Kumar and MLAs were also present in the meeting.
